# Denim Day

April 10, 2014

***Wear your jeans to work! March against violence!***

All members of the Fort Irwin are invited:

WHAT: Fort Irwin's annual Denim Day March Against Violence

WHERE: Blue Track

WHEN: 1000, April 10, 2014

WHY: Because every member of our community deserves to be safe and respected.

Tight jeans are ***NO EXCUSE*** for sexual violence!

## History

In Italy in the 1990s a teenage girl was picked up by her 45-year old driving instructor for her very first lesson, during which he raped and threatened to kill her. The instructor was convicted, but appealed the sentence all the way to the Italian Supreme Court where the **Judge overturned the conviction on the grounds that the girl had been wearing tight jeans**, saying she would have had to help the driving instructor take them off. Enraged by the decision, members of the Italian Parliament wore jeans to work the next day in protest. This protest soon spread to the US Congress and has since become an annual global movement in which communities express their support for survivors and declare that there is **NO EXCUSE** for sexual violence.
